

Miqat for Those Who Live in Jeddah

For the people who live in Jeddah, so if they resolve to perform `Umrah from where they stay in Jeddah, then they have to enter [Ihram](#) from Jeddah, because Jeddah is closer to Makkah and is closer than the *miqat*. The Prophet (peace and blessings be upon him) said, after mentioning the *miqats* (the appointed stations to assume ihram): **“Whoever is closer than that should enter ihram from his home and the people of Makkah should enter ihram from there.”** (Al-Bukhaari).

Thus, Jeddah is the *miqat* for its people and for those who live there.
